## **F.A.O. Y11 Applicants to KEVI Sixth Form**

I hope that you are well.

In these unprecedented times we have to work differently in the build up to you starting Kevi Sixth Form in September. We realise that you will not have been working at the same intensity with your revision as previous Y11's would have, but the demands of A Levels will still be the same.

In order to make your transition as smooth as possible, each school in the partnership is setting 2 pieces of transition work for each of its subjects.

Please go to the partnership website <https://www.staffordsixthformpartnership.co.uk/copy-of-course-information> select the subject that you wish to study at whichever school, download and complete the tasks.

Each school will set slightly different work and have slightly different deadlines, so it is important that you ensure that you are doing the right tasks!

If you are still unsure between subjects, please do the tasks for both. This might help you make the decision.

You are more than welcome to contact the member of staff, at any centre, in advance of the deadline to ask for help, guidance and support. Once the work is completed, please email it back to the member of staff who has set it.

As most of you are doing most subjects at King Edward VI, your base school, our deadline dates are:

- **Monday 8th June:** 1st transition work set, to be completed by Friday 19th June
- **Monday 22nd June:** 2nd transition work set, to be completed by Friday 10th July

Continued

If you are following subjects at SGB, you should already have had an email (to the address you used on your application form). For other centres, please check the website for the tasks and the handing in dates.

Please will you also check your King Edward VI email regularly as we may be sending out more information electronically.

Do not hesitate to get in touch with me if you have any questions.

Stay safe.

Kind regards,

**Mrs D Gibbs**  
**Leader of the Sixth Form**
