# School clubs: get involved!

At King Edward VI High School, we have a variety of extra-curricular school clubs on offer to enrich learning in school; from the arts to science; from music to cookery; from sports to academic – we've got it all!

Whatever your interest, now is the time to get involved in the school clubs on offer and explore those hidden talents or develop your skills beyond the classroom.

If you are interested in joining any of the clubs after-school, please speak to the staff member in charge first and make sure you get permission from parents/carers.

If you have any questions, speak to the group leader to find out more!

**The School Library is open EVERY DAY during breaktime and lunchtime for pupils to complete homework, for reading, borrowing books or using computers.**

**Fridays is YEAR 7 ONLY.**
